1. Acceptance of Terms

- (a) **Verified by Visa** provides its service to you, subject to the following Terms and Conditions and our cardholder agreement with you governing the card transactions for which **Verified by Visa** is used. The provisions of the Terms and Conditions agreement are incorporated by reference into our cardholder agreement(s) with you. We may change or update the Terms and Conditions from time to time without notice to you. You can review the most current version of the Terms and Conditions at any time at <http://www.opbc.com>. In addition, when using **Verified by Visa**, you shall be subject to any guidelines or rules applicable to **Verified by Visa** that may be posted from time to time on the **Verified by Visa** web site (the "Website"). You agree that continued use of **Verified by Visa** after the posting of revisions to these Terms and Conditions shall constitute your agreement to such revised terms and any applicable posted guidelines or rules.
- (c) Unless explicitly stated otherwise, any new features that augment, enhance or otherwise change **Verified by Visa** shall be subject to the Terms and Conditions.
- (d) Oregon Pacific Bank reserves the right at any time and from time to time to modify or discontinue, temporarily or permanently, **Verified by Visa** (or any part thereof) with or without notice and is not obligated to support or update **Verified by Visa** or the Website.
- (e) With respect to any software available for download via the Website, you must accept the applicable Software License Agreement and comply with the terms and conditions contained therein.

2. Description of Verified by Visa

Verified by Visa provides you with a way of increasing security in online and other transactions for which **Verified by Visa** is used by reducing the chances of fraud for those transactions. Registering for **Verified by Visa** involves (1) enrollment in **Verified by Visa**, and (2) activation of **Verified by Visa**. Your password is then used to confirm your identity in connection with future online transactions or other transactions for which **Verified by Visa** is used, as discussed in more detail in Section 5 below. **Verified by Visa** also may be used by you for record keeping and reporting purposes, as well as to help resolve any transaction disputes. Your Registration Data (defined in Section 3 below), and other personal information is not shared with the merchant, as discussed in more detail below.

3. Registration

- (a) In order to use **Verified by Visa**, you must provide certain information to us that allows us to validate your identity and verify that you are the owner of the specified credit card(s) ("Registration Data"). The Registration Data that you provide may be validated against information we already have on file that is associated with you and your credit card(s). If you do not successfully register for **Verified by Visa**, the merchant may not accept your Visa credit card in payment for an e-commerce or other transaction subject to **Verified by Visa**. If any Registration Data is untrue,

inaccurate, not current or incomplete, Oregon Pacific Bank retains the right to terminate your right to use **Verified by Visa**.

- (b) In order to use **Verified by Visa**, you must have the ability to access the World Wide Web and must pay any service fees associated with such access. In addition, you must have the equipment necessary to make such a connection to the World Wide Web, including a computer and modem or other access device, and **Verified by Visa**-supported versions of operating systems and browsers (supported versions can be found at <http://www.visa.com/verified>).
- (c) Registration Data and other information about you will be treated in accordance with Oregon Pacific Bank's privacy policy located at <http://www.opbc.com>.

4. Authentication

In the event you have a question regarding the **Verified by Visa** registration process or a transaction using **Verified by Visa**, you should direct that question to our customer service department at **800.997.7121**.

- (a) During registration for Verified by Visa, you may be asked to select or may be provided a personal message and/or password hint. When engaging in an online transaction or other transaction, for which Verified by Visa is used, you will be asked for your Verified by Visa password before the merchant accepts your Visa card in payment for the transaction. If you are unable to provide your Verified by Visa password, and the password hint does not assist you with the provision of the Verified by Visa password, or if the authentication through Verified by Visa otherwise fails, the merchant may not accept your Visa credit card or debit card in payment for that transaction.
- (b) By registering in Verified by Visa, you assent to the use of Verified by Visa to confirm your identity, including for purposes of authorization of transactions authorized in advance to recur at substantially regular intervals.

5. Cardholder Password and Security

You are solely responsible for maintaining the confidentiality of your password, Registration Data and other verification information established by you with **Verified by Visa**, and all activities that occur using your password, Registration Data or other verification information supplied to or established by you with **Verified by Visa**. 9. Dealings with Merchants

Your correspondence or business dealings with, or participation in promotions of, online retail or other merchants on or through **Verified by Visa**, including payment and delivery of related goods or services, and any other terms, conditions, warranties or representations associated with such dealings, are solely between you and such merchant. You agree that, except

as otherwise provided by Applicable Law or in our cardholder agreement with you, Oregon Pacific Bank, its parent, affiliates, or subsidiaries nor its service providers shall not be responsible or liable for any loss or damage of any sort incurred as the result of any such dealings. You understand that use of **Verified by Visa** does not, in any way, indicate that we recommend or endorse any merchant, regardless of whether the merchant participates in **Verified by Visa**.
