Oregon Pacific Bank's Trust Services team has provided trust services to our communities since 1996. We are eminently qualified to offer a full range of personal trust, investment management, and estate settlement services to help you manage your affairs and to plan for your future. Our team can assist you in all the following:

TRUST ADMINISTRATION | INVESTMENT MANAGEMENT | CHARITABLE GIVING | ESTATE SETTLEMENT

Oregon Pacific Bank is more than a bank. We have earned our clients' confidence since 1996.

We are proud to be one of the few community banks in Oregon to offer trust and fiduciary services.

COVID hasn't slowed down our work. Relationships matter, and we are able to provide the same level of service over socially distanced channels. Our local professionals are only a phone call or video chat away.
