- Monthly charge of \$69/month for first device and \$29/month for additional devices software fees will begin billing in October 2020.

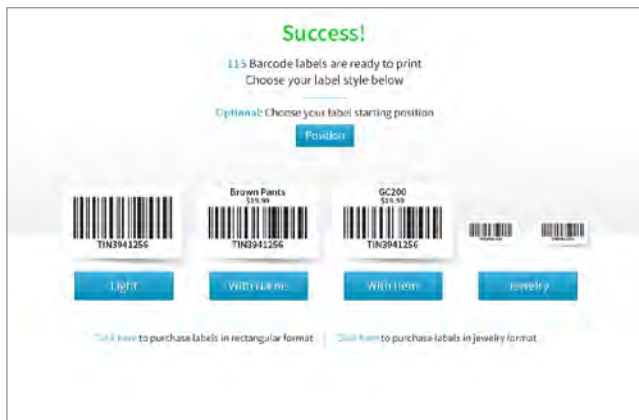

#### talech Premium

- Monthly charge of \$99/month for first device and \$29/month for additional devices software fees will begin billing in October 2020.

#### Other terms and conditions apply:

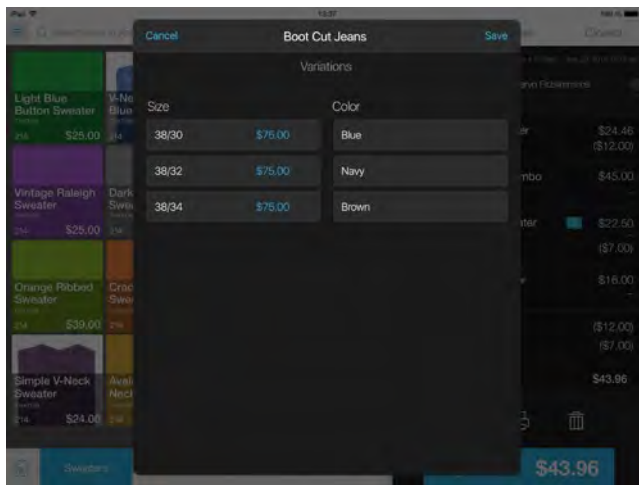

- During this relief effort, all card network interchange, assessments, annual, chargeback, voice authorization, monthly service or minimum monthly fees and other per transaction fees will be collected.
- Clear & Simple pricing program has a \$10 or \$30 monthly program fee (depending on processing volume). Offers can vary by customer pricing programs.
- Cannot be combined with another offer.
- Elavon reserves the right in its sole discretion to modify, suspend or terminate the relief efforts at any time.
- Restrictions may apply.
- Service provided by Elavon.

## A perfect fit for all your POS needs

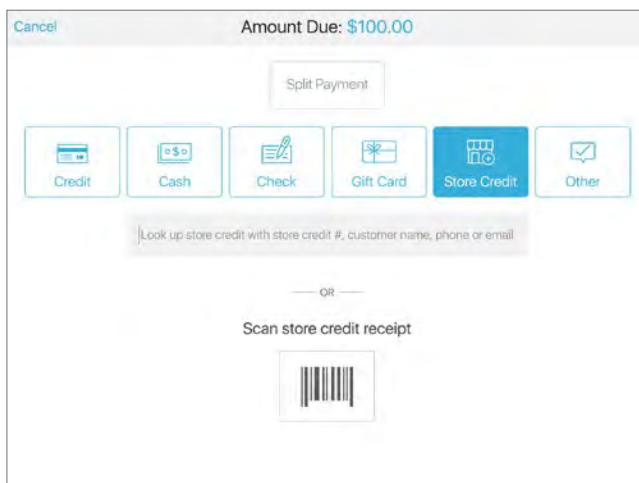

### PRINT. SCAN. DONE.

Scan barcodes when products arrive and add them directly into inventory to save time. Create barcodes on talech and print labels on any printer to save money. Scan products to streamline customer checkout.

### DO YOU HAVE THIS COLOR IN MY SIZE?

Utilize multiple variations such as size, color, and style to track inventory and know what's in stock. You can create hundreds of combinations and set price, cost, and quantity for each.

### CAN I RETURN THIS?

Accept returns or exchanges with ease. Issue a partial refund or store credit. Link store credits directly to customer accounts so you can look it up if the receipt is lost.
